

NATIONAL ASSOCIATION OF SPORTS PUBLIC ADDRESS ANNOUNCERS

NEW CLINIC FORMAT!

FOOTBALL PUBLIC ADDRESS ANNOUNCERS' CLINIC

July 16, 2011 9:00 a.m. – noon

Gary Williams,

**De La Salle High School
1130 Winton Drive
Concord, CA 94518**

Announcer, Oakland Raiders

The focus of this year's clinic will be on live announcing with feedback. Attendees will receive hands on training behind the mic from Gary Williams, who will coach and critique participants. Participants will hear others behind the mic and get valuable insight from listening and participating. In addition to working on the announcements that are typically made before, during and after a game, attendees will have the opportunity to announce game action. Football game footage will be projected on a large screen. Attendees will take turns announcing and spotting. This is the only clinic of its kind in Northern California this year. Don't miss it!
