B. RATIONALE AND/OR PURPOSE OF PROPOSAL (Provide description of what "problem" this new format will correct and why the problem exists):

This proposal changes division parameters for next year. The rationale of the committee in making these changes was a combination of balancing the number of teams in each division, along with the strength of the schools in each division, and the current number of entries in each division brackets.

ALL SPORT COMMITTEES MUST REVIEW THE FOLLOWING ITEMS WHENEVER THEY WISH TO PROPOSE MAJOR FORMAT CHANGES TO THE CCS BOARD OF MANAGERS!	
yes	1. Is the proposal consistent with policies/bylaws/procedures or general rules within the CCS? IF NO: a Is your sport so unique in this area that it warrants a deviation from these section-wide policies/bylaws/procedures or general rules? (if so, include in your rationale above) b Might the proposed change affect other sports' playoff formats? (if so, include in your rationale above) c Should the proposed change be a specific change for only your sport or a proposed change in the policy/bylaws/procedures or general rules within the CCS?
n/a	2. Does the necessity for this change warrant the increase in expenses (if applicable)?
yes	3. Will the CCS staff be able to accommodate the change (i.e. sites, personnel, time, etc.)?
yes	4. Does the proposal make a better tournament experience for ALL teams in CCS in this sport?
n/a	5. If this sport is conducted for the opposite gender, is the proposed change consistent for both CCS Play-offs (i.e. boys and girls tennis; boys and girls volleyball, etc.)?
