**MONDAY, MAY 14, 2011, and WEDNESDAY, MAY 16, 2011.**
- B. If the Tournament is rained out on Tuesday, the 1st and 2nd rounds will be played on Wednesday, and the Semi-finals and Finals will be played on the next available day.
- C. The CCS Commissioner and/or staff shall be responsible for all contracts for sites used during the CCS Play-offs. The CCS Commissioner and/or staff have sole authority to schedule or cancel sites, as well as full discretion as to the assignment or re-assignment of teams to times and sites throughout the CCS Play-offs. The CCS Commissioner and/or staff have the final authority in any disputes over sites or times of play, and the decision of the CCS Commissioner is not subject to appeal, due to the immediacy of running the Tournament for the good of the whole. Neutral sites are not a policy of the CCS and should not be expected in any rounds of play. Sites will be assigned by the CCS for the good of the Tournament.

#### **Section 3. TOURNAMENT FORMAT**

- A. All players will enter a single-elimination 16-place Tournament bracket.
- B. Each individual match will consist of the best two(2)-out-of-three(3) sets. A set that is tied at six (6) games will use the 12-point tie-breaker, as written in the **USTA** Rule Book.

#### **Section 4. QUALIFICATION OF INDIVIDUALS**

- A. League Champions in Singles & Doubles, plus At-Large Singles & Doubles players, will form a 16-place Tournament bracket.
- B. When two [2] or more basic Leagues join together to form supplemental Leagues, the following shall apply:
- When two [2] or more supplemental Leagues are formed by the joining of two [2] or more basic Leagues that each had one [1] Automatic Qualifier to CCS Play-offs, the new supplemental Leagues shall retain the total of their previous Automatic Qualifiers (e.g., Leagues A and B each have one [1] Automatic Qualifier. When the new supplemental Leagues are formed combining A and B, they will have a total of two [2] Automatic Qualifiers).
  - The League Board of Managers having governance authority over the supplemental Leagues, shall determine in its bylaws how those Automatic Qualifiers will be allocated from the supplemental Leagues. In the absence of a basic League tournament to determine Section qualifiers, the basic League **MUST** allocate an automatic berth to each of the supplemental League Champions.
- C. If a League is unable to determine its Singles or Doubles Champion by the beginning of the Seeding meeting, the entrants from that League will **NOT** be considered for seeding or At-Large selection.

- D. A student may play in only one [1] event, Singles or Doubles. Students must have competed in League tournaments in Singles or Doubles, but not both.
- E. The Singles and Doubles entries may play in only one [1] Tournament on any one [1] day.
- F. Players and school-designated coaches must be present within 20 minutes after the designated match time, or the player will be defaulted.
- G. Coaches must insure that players entered in CCS competition intend to fulfill their obligation to participate. If a student has plans to play in another event, his name should not be submitted for seeding in the CCS Tournament.
- H. Once the Tournament has started, and there is a disqualification, that position in the bracket will be filled by the player or team that was eliminated by the disqualified player or team,

### **Section 5. AT-LARGE SELECTION PROCEDURES**

- A. Each League Representative is responsible for nominating the League 2nd-place and 3rd-place Singles and/or Doubles players for At-Large selection. If there is no nomination from that League Representative, the Committee will not consider the 2nd-place and/or 3rd-place finishers from that League.
- B. The criteria considered for At-Large selection is as follows, not in any rank order:

- Current interscholastic head-to-head results;
- League over-all record;
- In the Singles selection, **National** and **NCTA** rankings will be considered;
- In the case of Singles or Doubles players without ranking, a blind draw of League Runners-ups will complete the draw spots, if the choices are not settled by vote of the Committee;

An alternate Singles player and Doubles team will be selected for the Tournament.

In the Doubles selection, when rankings are considered:

- (1) A ranked Doubles team is considered first;
- (2) Two ranked players competing as a Doubles team are considered second;
- (3) A Doubles team with one ranked player is considered third;

### **Section 6. SEEDING PROCEDURES**

- A. A maximum of the top four (4)] Singles players and Doubles teams and ties may be seeded.
- B. Criteria to be considered by the Committee to seed up to the top four (4) players will include:
  - League records;
  - Strength of League,
  - Interscholastic head-to-head competition
  - Record against common opponents
  - Because of the date of release of the **NCTA**-published rankings in relation to the CCS season, the Committee will consider the latest computerized list of rankings as part of the criteria in its selection process. League records;
- C. Seed 1 on line 1 and seed 2 on lines 16; Seeds 3 & 4 are drawn for lines 5 & 12.
- D. The authority of the Committee to seed up to the top four [4] players does not extend to "placing" any number of additional players.
- E. Once the seeded players have been written in, the draw is completed through a process of drawing the names of the remaining players and putting them on the unoccupied lines in the order in which they are drawn, starting at the top and moving downward in sequence.
- F. In the seeding or drawing procedure, when seeded or unseeded players are brought together in the 1st Round of the draw, and are members of the same family, school or League, the Committee shall place the second name drawn on the next available line, whenever possible.
- G. Should an error in placement be made during the draw process, the second drawn shall be exchanged with the first "non-conflicting" slot, beginning with line 8 in the upper half of the draw.
- H. League Representatives are responsible for their League entries and must submit the names and schools of League Champions to the CCS Office by the beginning of the Seeding meeting.
- I. League Representatives are responsible for notifying League Tournament participants of At-Large selection and opponents immediately following the Seeding meeting.

**Section 7. SUBSTITUTIONS**

- A. In case of illness or hardship between the end of League play and the CCS Seeding meeting, the League Runner-up shall be the League representative, and 3rd-place League finishers will be eligible for At-Large berths.
- B. If a Singles player or Doubles team cannot participate in the Tournament after the draw has been completed, and before play has begun, the alternate player/doubles team will fill that spot on the draw. If the Singles player or Doubles team that withdraws from the Tournament was seeded, the entire Tournament will be re-seeded, following **USTA** procedures, but will include the CCS policy of placing family, League- or school-mates in opposite halves of the brackets.
- C. If a replacement is needed for a seeded player on the day of the Tournament, no re-seeding will occur.  
**Notification of the withdrawal of any singles or doubles team must be made to the CCS office via phone, fax or e-mail no later than noon the day prior to the first day of competition in order to facilitate sufficient time to contact alternates and make changes to the brackets. [Click here to see entire policy](#)**SEASON LONG LEAGUE PLAY**

The sole purpose of CCS Playoffs is to provide a post-season championship event for its member school teams and athletes who have been engaged in season-long league play in a given sport.

- A. Section playoffs are to be conducted as the culminating activity for teams and/or individuals who have been engaged in season-long league play in a given sport.
- B. Schools or leagues which do not conduct a given sport on a recognized league basis for the majority of a given sport season will not be allowed to enter playoff competition. Exceptions to this general policy may be made by the Board of Managers as a result of a unique, short-term and specific circumstance beyond a school's control that directly causes the school to be unable to participate in that sport in season-long league play,
- C. In individual sports, (swimming, track & field, cross country, tennis, golf, gymnastics, badminton, wrestling), a student athlete must compete in at least  $\frac{1}{2}$  of the regularly-scheduled league meets in order to participate in the CCS playoffs in that sport. The specific qualification standards outlined in the CCS bylaws for each of these sports must be met in addition to this general minimum participation standard. Exceptions to this rule may be determined by the league ONLY
  - o if there is a serious medical condition or hardship that is beyond the student's control and which clearly and solely causes their lack of participation in a minimum of  $\frac{1}{2}$  of their regularly-scheduled league contests OR
  - o if the student has corrected a scholastic ineligibility in the most recent grading period which occurs after the first half of the league season is complete and which directly and solely causes their lack of participation in a minimum of  $\frac{1}{2}$  of their regularly-scheduled league contests.
  - o if through internal team competition and ladder movement an athlete has not had the opportunity to participate in  $\frac{1}{2}$  the regular-scheduled league contests.
