

Due to the fire—alternate routes in case of bad traffic have been updated:
Directions to Gilroy high school if there is a traffic backup.....

Hello: The CDF is setting up a fire camp at Christmas Hill Park (where the Garlic Festival is held). They will be closing Miller Ave which was part of the alternative route that Steve included in the packet for coaches in the event 101 backs up at 152 with the Memorial Day weekend traffic. The closure would only impact athletes who are using the alternative route to the high school. I don't know if you can get this new set of directions out in an email blast today.
