

# CCS Softball Season Summary Sheet

Our season summary sheet is now set up for you to fill out on your computer and submit to us by e-mail. This will not only save paper, but it will save you time too:

- As you fill out the form, your points will be calculated for you!
- And when you submit this form to [ccsplayoffs@cifccs.org](mailto:ccsplayoffs@cifccs.org) you'll get an e-mail response confirming we've received it; so now you don't have to worry about whether or not your season summary sheet made it through the fax machine successfully.
- And when you e-mail your season summary sheet to CCC, you can also e-mail it to your league rep. so they have a copy too.

Some things to remember while working on this form:

- **Remember to save the form AS A PDF DOCUMENT to your computer as you work on it!**
- Even after you get confirmation that your season summary sheet has been received, if you're coming to the seeding meeting, it's always a good idea to bring a copy with you.
- The form will help you as much as possible:
  - The first time you enter your school's name and your league's name, it will automatically be inserted anywhere else in the form it's needed.
  - As you fill out the second page of the form, your points will automatically be calculated for you on the far right.
- **Remember to double check that your information is correct before submitting!**
