SUBJECT: CCS REALIGNMENT PROCESS

According to the CCS Bylaws Article IV League Realignment, the 2008-2009 school year is one in which we will be addressing League Realignment.

You should review the CCS Bylaws, Article IV if your school has an interest in pursuing a change in conference and league placement.

Please submit any requests for a **change in conference membership**, for your school no later than September 19, to the CCS office. If any such requests are received the Realignment Committee will meet the last week in September to discuss such requests. You will be notified of the time and place of that meeting if that meeting is necessary. Any requests for change in CONFERENCE must be received no later than **September 19, 2008** in order to be considered. If no requests for change in conference membership are received, the Realignment Committee will not meet.

This is the first step in the realignment process. After reviewing any such requests for conference changes the Realignment Committee will notify all schools of our recommendations no later than October 10, 2008. Our final recommendations will then be forwarded to the Executive Committee for action on January 13, 2009.

Listed below is the current league/conference membership. Attached is the list of individual schools and their current conference membership.

CURRENT LEAGUE/CONFERENCE ALIGNMENT

<u>Southern Conference</u>	<u>Northern Conference</u>	<u>Central Conference</u>
MBL	PAL	SCVAL
MTAL	WBAL	BVAL
SCCAL	PSAL	WCAL
TCAL		

Realignment within each of the Conferences will begin no later than the first week in February. Information about that will come directly from each respective Conference Chairman. If you have league realignment issues or proposals, please begin formulating those, so that they are ready to be presented when your respective Conference Realignment Committee meets. If there are no requests or proposals for change at the first meeting, the Conference Realignment Committee may develop their own proposals or recommend no changes to the Conference.

It is important for any realignment concerns to be raised this year. Any changes made during this cycle would go into effect 2010-2011. Following this cycle, our next opportunity to address basic league structure will be in the 2010-2011 school year for changes that would go into effect 2012-2013. Please review the CCS Bylaws. If you have any questions, please feel free to call your Conference Chairman, myself, or Nancy at the CCS Office. Thank you.
